Sir:

In response to the Office Action dated November 10, 2004, please enter the following amendments and remarks.

REMARKS

Applicants wish to thank the Examiner for considering the present application. In the Office Action dated November 10, 2004, claims 1-23 are pending in the application. Claims 1-23 have been cancelled. Claims 24-53 have been added. Applicants respectfully request the Examiner to reconsider the claims.

Applicants have amended the specification to clarify the number of the proportional integral derivative controller and the controller. Also, paragraphs 1, 8 and 53 have been amended to provide the serial numbers therein.

A provisional double-patenting rejection has been set forth. The claims of applications 10/628,632 and 10/628,685 have been amended. Therefore, this rejection is believed to be overcome.

In light of the above amendments and remarks, Applicants submit that all rejections are now overcome and the application is now in condition for allowance and expeditious notice thereof is earnestly solicited. Should the Examiner have any questions or comments which would place the application in better condition for allowance, he is respectfully requested to call the undersigned attorney.

Please charge any fees required in the filing of this amendment to deposit account 06-1510 or, if insufficient funds in that account, use deposit account 06-1505.

Respectfully submitted,
